Public Health
Advice

If you have been in an affected region or have been in close contact with a confirmed or probable case of COVID-19 (Coronavirus) in the last 14 days and have fever, cough or shortness of breath, take these actions:

Alcohol gel your hands

Identify yourself to a staff member or at the reception desk saying 'I am showing symptoms of Coronavirus, and I am here for assessment.' You will be directed to the assessment area

Put on a **facemask** as soon as received

Reception will direct you to the **assessment room**
